25.4 The Supplier hereby authorises The Purchaser to disclose any and all Confidential Information to government authorities with jurisdiction over such Confidential Information as may be reasonably necessary for the purpose of disclosing, resolving or remedying any violation or potential violation of applicable export control laws or regulations.

25.5 The Supplier shall immediately notify The Purchaser if the Supplier is or becomes identified either individually or collectively on any list of denied, debarred, embargoed, blocked, prohibited, specially designated, sanctioned or otherwise ineligible parties maintained by any government or international organisation or, becomes ineligible to contract with the US Government, or if the Supplier's export privileges are otherwise denied, suspended or revoked in whole or in part by any government entity or agency.

25.8 At The Purchaser's direction, the Supplier shall return, or destroy all of the ITAR Technical Data and/or EAR Technology or other Controlled Material exported to the Supplier pursuant to the Order upon fulfillment of its terms, send written confirmation of the destruction to the Purchaser within five (5) Business Days of the destruction, and create and maintain the records required under the ITAR and EAR.

25.9 The Supplier shall indemnify each Indemnified Party against any and all liability, loss, claims, costs, expenses or damages of any kind whatsoever incurred by an Indemnified Party as a result of or in connection with any breach by the Supplier, its employees, agents or sub-contractors of this clause (25).

27 APPLICABLE LAW

27.1 These Conditions shall be governed, construed, and shall take effect in accordance with the Laws of England and shall be subject to the exclusive jurisdiction of the English courts, unless it is otherwise agreed between the parties that any unresolved disputes between them shall be finally settled under the Rules of Arbitration of the International Chambers of Commerce. These conditions shall be flowed down to sub-contractors through the Suppliers contractual terms and conditions. It is understood that in interpreting the Government Conditions The Purchaser assumes the rights and obligations of the "Authority" and the Supplier assumes the rights and obligations of the "Contractor" except where indicated to the contrary by The Purchaser who shall advise on such matters upon written request.
